Dear Gary,

In thinking of how I can identify the pictures I want to the Dallas Archivist, Cindy Smolovik, and looking for a means, I found that Lt. Day gave numbers to two of them. So, I'll write her again, with those numbers and with xeroxes of them as the Commission published them.

However, it is clear from Weitzman's testimony that the first of the police pictures was taken after things were removed from atop the rifle. And I did ~~wite~~ write Alyea more than six weeks ago, without response.

Made me think that maybe WFAA has the same film he has.

Perhaps you remember from your looking at their film?

If you'll be kind enough to let me know, when you have time, the person to write to there, I'll see if they can provide it.

Hope your situation is straightened out the way you'd like and that all goes well with everyone down there.

Th anks and best,

Harold
